Facilitated by an Occupational Therapist

Dot Your Is and Cross Your Ts...

Goal: To improve handwriting legibility and confidence through fun and socially-appropriate educational activities with peers.

Objectives: Handwriting skills help children develop other skills such as reading, spelling, and recall.

1. Build confidence and have fun with handwriting.
2. Improve hand strength, endurance, and posture to write for longer duration without fatigue.
3. Improve visual perception and hand coordination to manipulate writing utensils when copying/writing.
4. Improve letter formation, sizing, spacing, and line orientation for legible handwriting.

Preregistration Required: contact Integrative Psyche at 414-545-4430 or by email: Integrativepsychegroups@gmail.com.

Cost: \$295 for the 6-week program.
